2602P

Baltic Shores Wild Oak

SENUOFLOOR

Captures a raw, coastal-inspired, and beautifully weathered timber aesthetic that evokes the sun-bleached driftwood, sandy bluffs, and windswept forests along the Baltic coastline.

2604P **Castle Mocha Washed Oak**

SENUOFLOOR

Delivers a prestigious, deeply sophisticated, and architectural timber aesthetic inspired by the weathered luxury and historic charm of European estate paneling. This high-end surface design is carefully mapped to provide an expansive, non-repeating layout engineered for premium wide-plank flooring.

062P

Alpine Mist Silver Ash

SENUOFLOOR

Replicates premium high-altitude ash timber from Swiss Alpine forests, featuring soft fog silver-grey hue, slim streamlined subtle grain and silky matte surface.

1938P **Scottish Highland Taupe** **Oak**

SENUOFLOOR

Reproduces wild moorland oak from Scottish Highlands, featuring mellow earth taupe-grey shade, prominent natural knots and authentic organic grain with matte rustic finish.

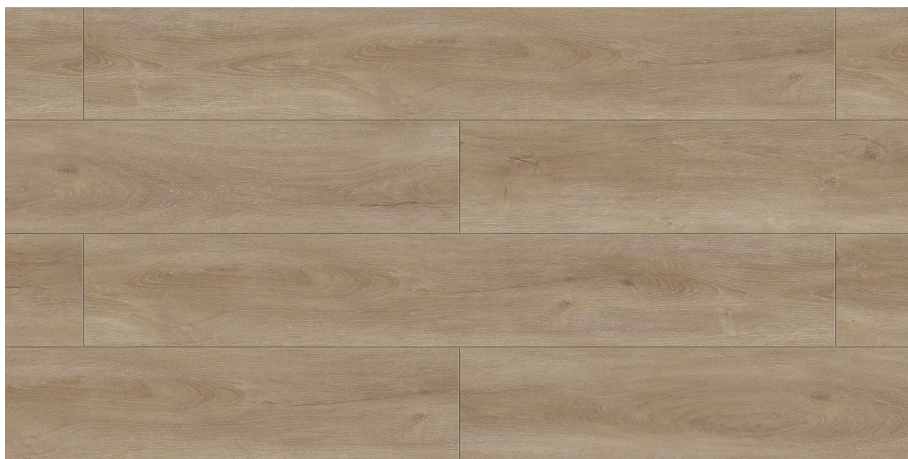

2160P **Bohemian Clay Ridge Oak**

SENUOFLOOR

Replicates wild mountain oak timber from Czech Bohemian Massif, featuring mellow muted clay taupe earth shade, soft winding continuous grain and faint tiny natural wood eyes with quiet matte rustic finish.

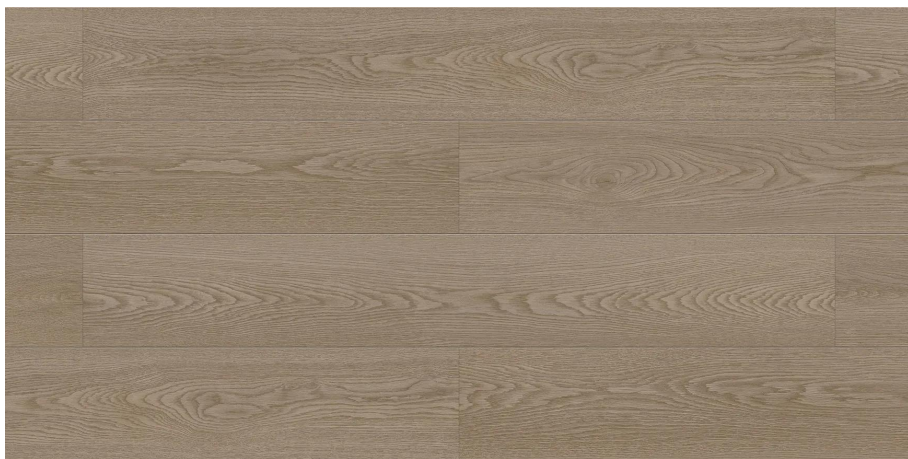

2075P

SENUOFLOOR

Jura Sandstone Neutral Oak

Replicates mild mountain oak timber from the cross-border Jura Mountains of France and Switzerland, featuring calm soft sandstone beige shade, smooth rounded gentle grain and faint tiny natural wood eyes with silky matte finish.

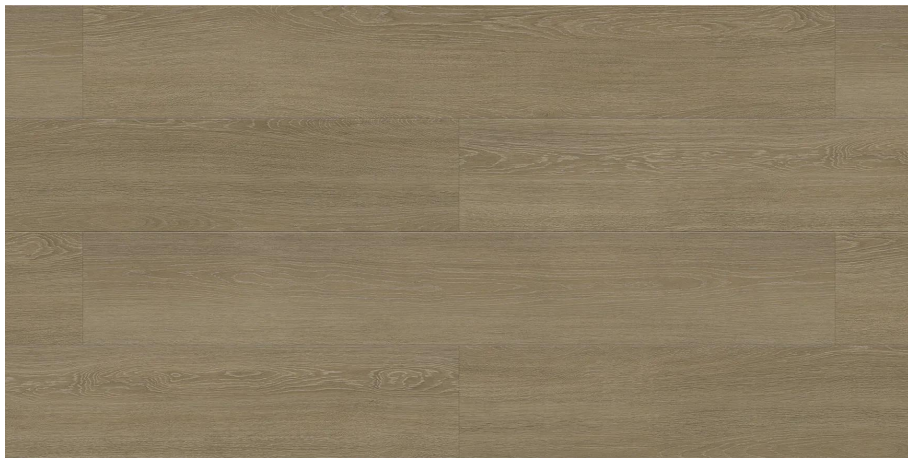

2517P

Provence Mist Coffee Oak

SENUOFLOOR

Blends authentic wood character with contemporary sophistication across the cohesive variations, It showcases beautifully balanced, elongated cathedral arches that softly integrate into a fine, highly detailed linear grain, maintaining a seamless look free of disruptive knots.

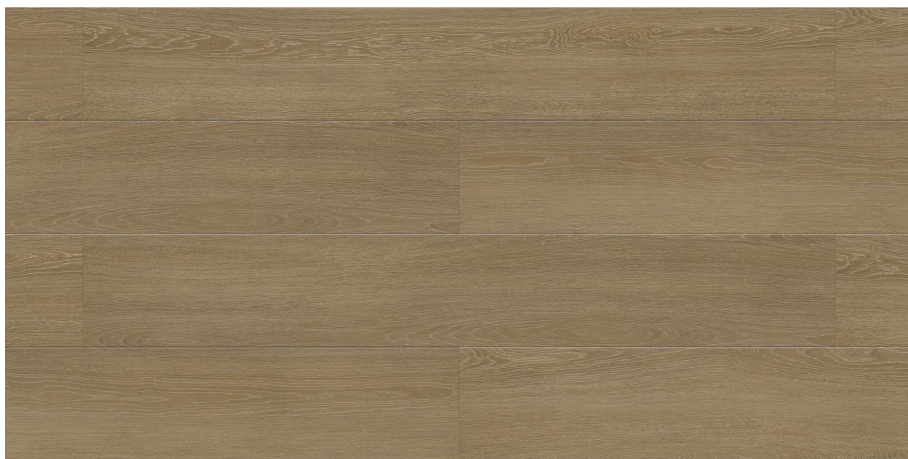

2521P **Prairie Taupe Washed Oak**

SENUOFLOOR

Balances an earthy, organic warmth with a refined modern edge across the natural variations. It showcases an elegant, low-contrast design where expansive, softly rolling cathedral rings transition smoothly into a fine, dense linear grain structure, completely unmarred by harsh knots for an exceptionally clean look.

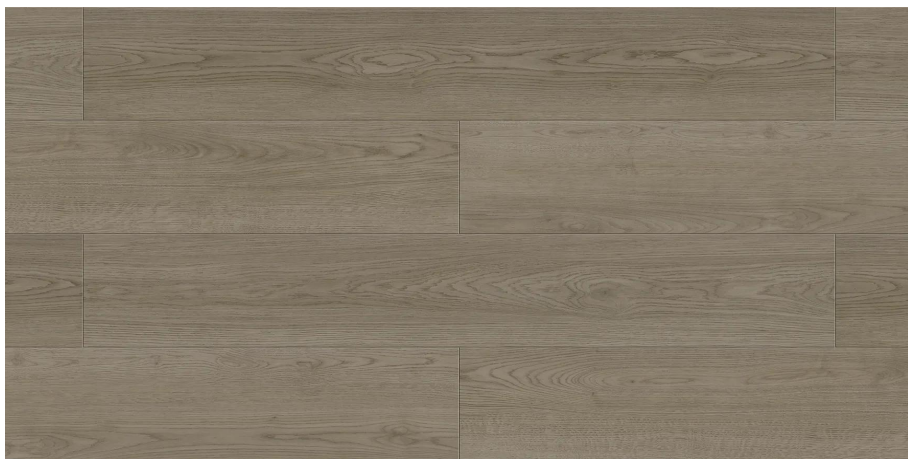

2522P

Alpine Golden Taupe Oak

SENUOFLOOR

Beautifully marries an earthy, organic warmth with a sophisticated alpine luxury across the rich grain details. It exhibits a highly elegant, low-contrast design where expansive, fluid cathedral rings subtly merge into a dense, linear wood grain, presenting a sleek surface completely free of heavy, rustic knots.

2524P

Field Gravel Washed Oak

SENUOFLOOR

Masterfully balances a raw, weathered naturalism with a sleek architectural edge across the organic variations. It exhibits a beautiful, low-contrast wood structure where gently undulating cathedral arches transition smoothly into a fine, tightly packed linear grain. The expansive surface layout remains clean and sophisticated, completely free of aggressive or heavy knots.

2527P

Alpine Smoked Brown Oak

SENUOFLOOR

Masterfully embodies a rugged alpine elegance, blending a rich, time-weathered depth with a sophisticated architectural presentation across the unique variations. It showcases a highly expressive wood structure where beautifully undulating, wide-set cathedral arches transition into tight, prominent linear grain sequences.

2533P **Norwegian Heath Natural** **Oak**

SENUOFLOOR

Evokes a raw, unrefined coastal elegance, beautifully capturing the spirit of a windsourced Nordic landscape across the organic variations. It introduces a highly authentic, medium-contrast wood structure where beautifully defined cathedral arches flow seamlessly alongside subtle micro-cracks and weathered grain fissures.
