2605H **European Mist Grey Oak**

SENUOFLOOR

Delivers a sleek, modern, and highly architectural timber aesthetic inspired by the cool, overcast mornings and understated luxury of contemporary European design.

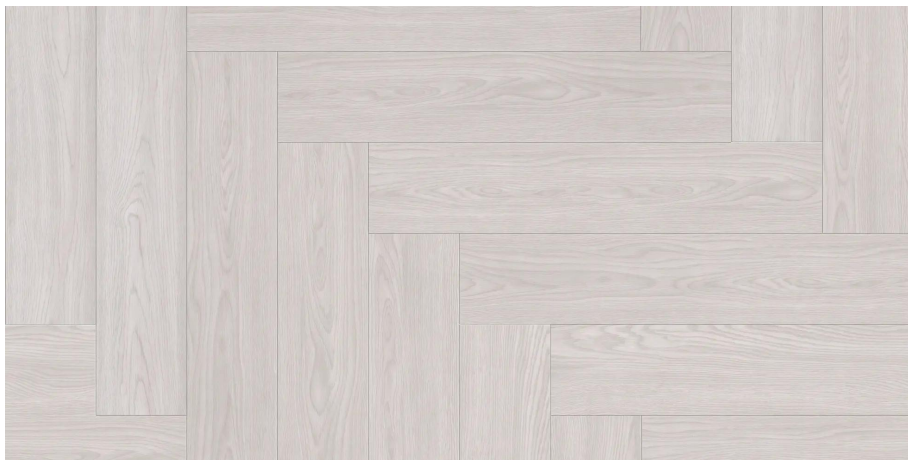

056H **Fjord Glacier Grey Oak**

SENUOFLOOR

Reproduces wild oak from Norway's fjord coastal forests, featuring muted cool glacier grey shade, scattered subtle wood knots and soft continuous grain with matte neutral finish.

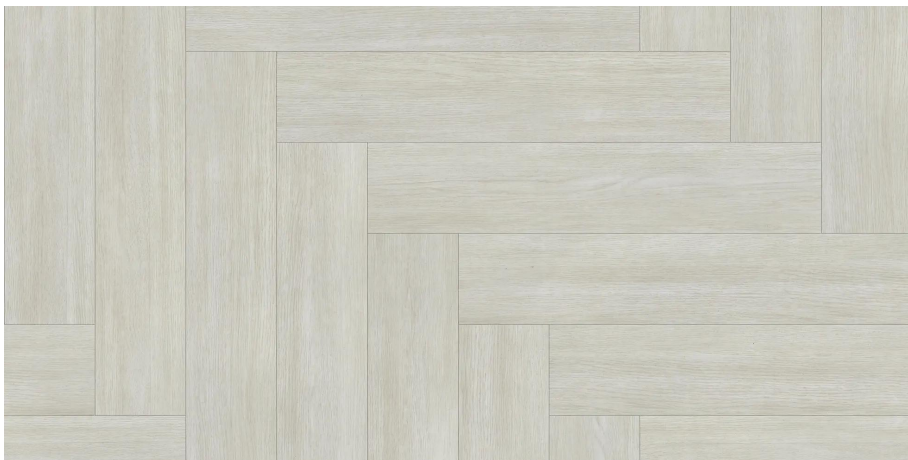

1921H **Lapland Snowdrift White** **Oak**

SENUOFLOOR

Simulates premium natural oak from Lapland Finland, featuring pure milky snow-white tone, subtle faint soft oak grain and silky matte surface.

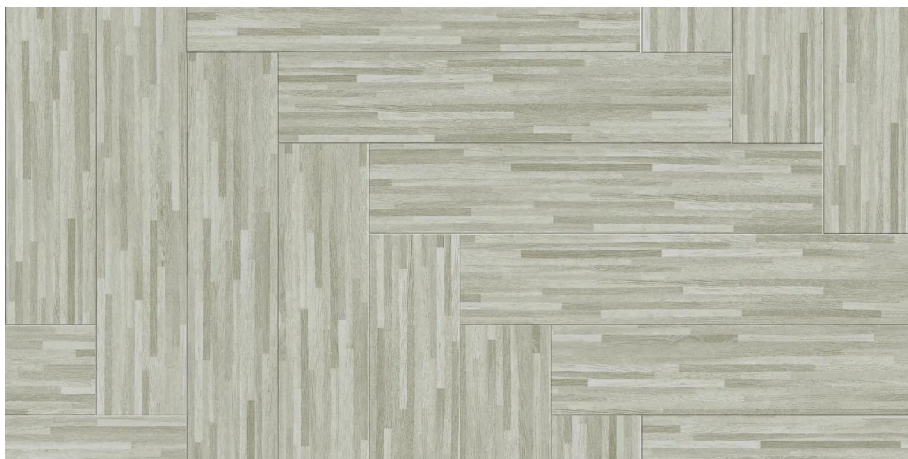

2106H **Engadine Glacier Linen Ash**

SENUOFLOOR

Replicates mild high-altitude ash timber from Switzerland's Engadine Valley, featuring gentle frosted linen-off-white shade, soft blurred wispy linear grain and cloud silky matte surface.

2108H

Bavaria Silver Mosaic Ash

SENUOFLOOR

Replicates vintage multi-strip parquet ash timber from historic Bavarian manors in Germany, featuring misty silver-grey neutral hue, staggered mixed-width mosaic layout and delicate faint ash grain with matte retro finish.

2201H

Lapland Silver Haze Oak

SENUOFLOOR

Replicates naturally bleached arctic oak timber from Finland's Lapland tundra, featuring translucent pale silver haze-grey shade, ultra-faint soft elongated grain and cloud silky matte texture.

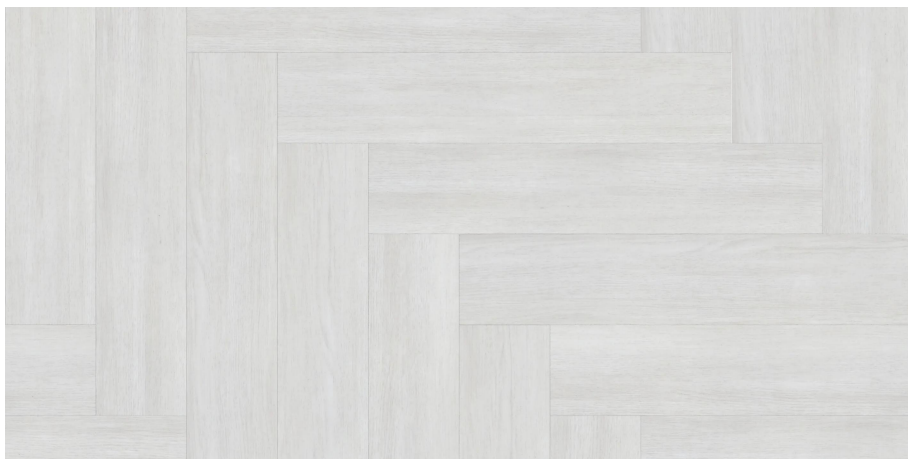

2013H **Baltic Driftwood Grey Oak**

SENUOFLOOR

Replicates naturally weathered coastal oak from Germany's Baltic shoreline, featuring muted washed ash-grey hue, authentic subtle timber fissures and soft low-profile grain with matte rustic finish.

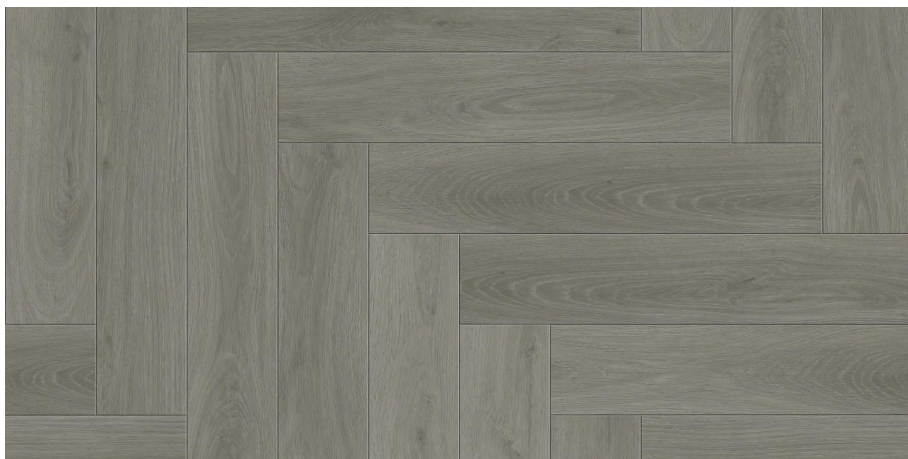

2105H

Arctic Pearl Frost Ash

SENUOFLOOR

Reproduces premium high-latitude ash timber from Arctic Norway, featuring translucent pure pearl frost white shade, ultra-faint smooth linear grain and cloud-like silky matte surface.

2503H **Iceland Mist Oak**

SENUOFLOOR

Features soft muted mist-grey tones inspired by Icelandic frosty scenery, blending cool light grey with subtle ash undertones for a tranquil Nordic aesthetic.

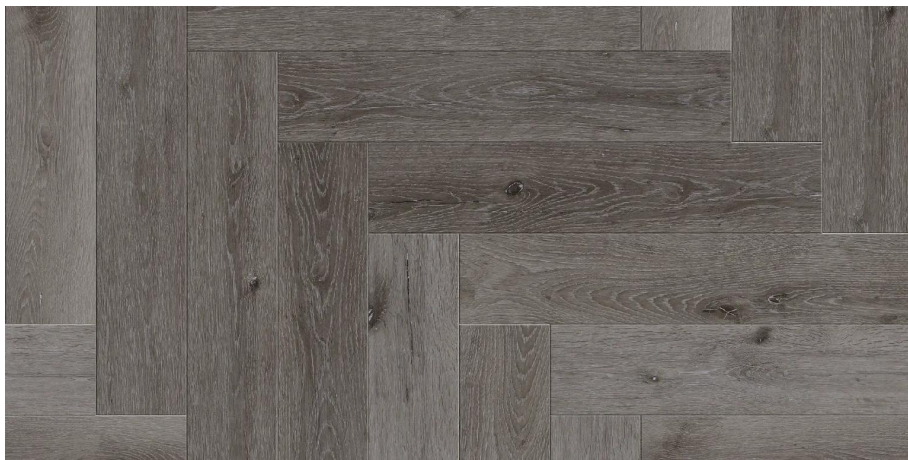

2504H

Black Forest Charcoal Oak

SENUOFLOOR

Delivers a powerful, dramatic, and intensely sophisticated timber aesthetic inspired by the dense, mysterious woodlands of Germany's Black Forest. This premium architectural surface design is carefully mapped to ensure an expansive, non-repeating continuous layout engineered for high-end wide-plank flooring, luxury accent walls, and bold commercial interiors.

2508H **Elegant Grey Oak**

SENUOFLOOR

delivers a refined, ultra-modern, and multi-dimensional timber aesthetic that seamlessly bridges contemporary mineral tones with authentic, weathered wood character. This premium surface visual is carefully engineered to establish a sprawling, non-repeating continuous layout optimized for high-end wide-plank flooring.

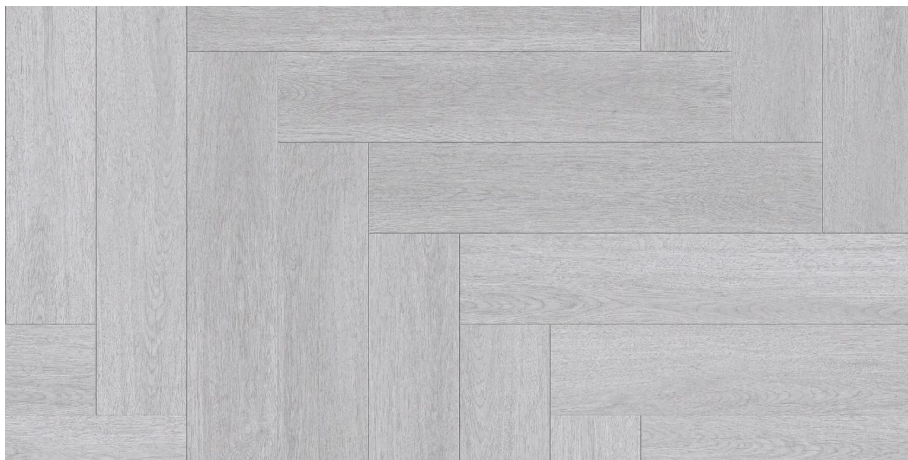

2518H **Baltic Sunny Beige Oak**

SENUOFLOOR

Merges a crisp, weathered Nordic aesthetic with timeless organic simplicity across the balanced textures. It highlights a highly elegant, low-contrast design where softly elongated, fluid cathedral rings seamlessly flow into a fine, linear grain structure, completely free of heavy knots for a clean, minimalist appeal.

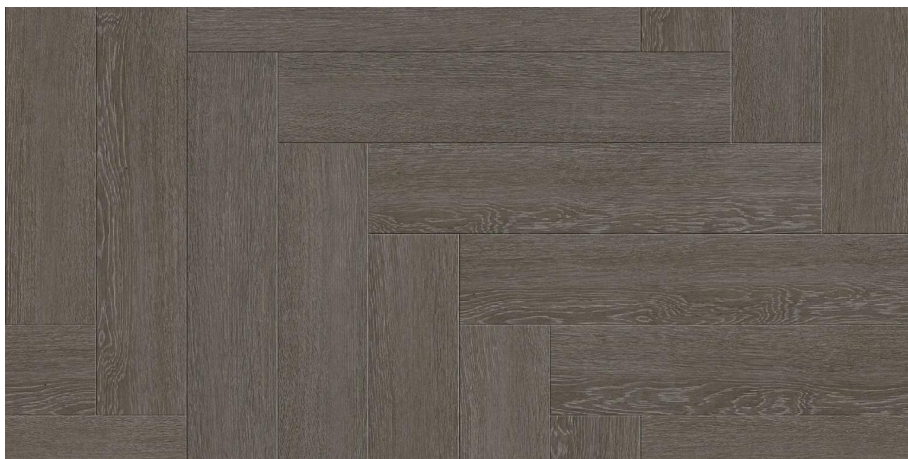

2520H **Baltic Mist Island Oak**

SENUOFLOOR

Captures a refined, contemporary coastal aesthetic across the balanced grain structures. It exhibits a highly sophisticated, low-contrast design where delicate, softly sweeping cathedral lines gracefully dissolve into a fine

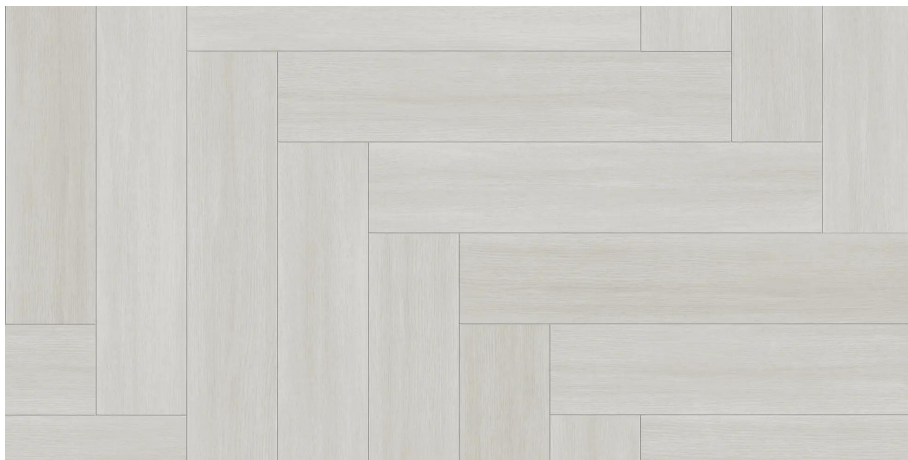

2523H

Black Forest Charcoal Oak

SENUOFLOOR

Projects a dramatic, commanding presence that masterfully pairs bold organic texturing with high-end modern sophistication across the variations. It presents a highly refined, low-contrast composition featuring elongated, elegant cathedral arches that effortlessly dissolve into a beautifully dense and fine linear grain pattern.

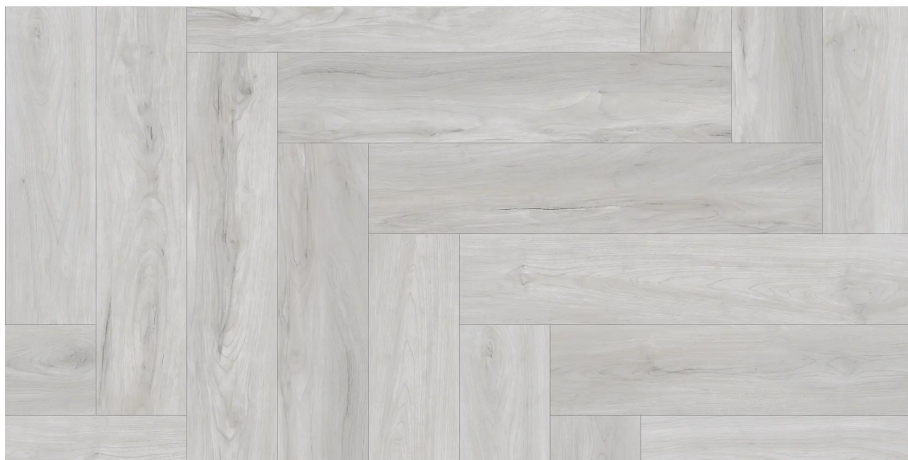

2525H **Iceland Frost White Oak**

SENUOFLOOR

Captures a serene, ethereal Nordic beauty, seamlessly blending ultra-modern minimalism with a delicate organic touch across the immaculate variations. It displays an exceptionally clean, ultra-low-contrast surface where soft, elongated cathedral ring outlines blend fluidly into a fine, whispering linear wood grain.

2536H **Norway Glacier White Oak**

SENUOFLOOR

Captures a breathtaking, frost-kissed minimalism inspired by expansive arctic landscapes, offering a sleek and highly sophisticated architectural canvas across the unique visual planks. It reveals a beautifully fluid, low-contrast wood structure where sweeping, wide-set cathedral arches drift gently into smooth, elongated linear grain paths.
